

Offer Letter for Full Stack Developer (Freelance)

Date: January 10, 2024

To,
Aditya Bagade

Dear Aditya,

We are excited to extend an offer to you for the freelance position of **Full Stack Developer** at **Code Clout**. We believe your technical expertise and innovative mindset will contribute significantly to the success of our projects.

Position: Freelance Full Stack Developer

Start Date: January 13, 2024

Work Location: Remote

Contract Duration: Based upon project requirement

Compensation: Based upon project agreement

Payment Terms: Payment upon milestone completion

Key Responsibilities:

- Develop and maintain both frontend and backend components of our web applications.
- Work with the team to create scalable and efficient solutions.
- Participate in code reviews and provide feedback to peers.
- Troubleshoot, debug, and optimize web applications to ensure seamless performance.
- Collaborate with designers, project managers, and other developers to ensure project deadlines and quality standards are met.

We expect that you will maintain a high standard of professionalism, communication, and adherence to deadlines while working with Code Clout. Your point of contact for all matters related to the project will be Abhishek. You will receive feedback, guidance, and support as needed to ensure smooth progress on your tasks.

If you have any questions or require clarification on any aspect of this offer, please don't hesitate to reach out. We look forward to having you as a valuable member of our team at Code Clout.

Please acknowledge your acceptance of this offer by signing and returning a copy of this letter by 12 Jan 2024.

Warm regards,
Hiring Manager
